

MANIFESTO CLUB

Club Night & Book Launch: Europeans Against The EU

Last year, an EU Council meeting decreed that Irish voters must vote again on the Lisbon Treaty. This June, the European elections will throw the operations of Brussels open to public debate across the continent. We need a pan-European response. The next Manifesto Club event is a chance to push the progressive critique of the EU. The evening is also the UK launch of our EU PHRASEBOOK: 27 WAYS TO SAY 'NO DOESN'T REALLY MEAN NO'.
